Don't be misguided! Hate, looting and killing is for the simple minded. It gets you nowhere FAST. Remember last July . . . Who got hurt the most? Whose children were killed in the street? Who suffered the most? . . . YOU DID! WHY? . . .

Because some simple minded people caused a riot. DON'T BE SIMPLE MINDED . . . Think for yourself. If you have any problems . . . call **NO MORE RIOTS MOVEMENT** . . . we will help you.
